

Annem için ilahi

Biricik annem, bir tanem
Bizim hayatımızı veren
Sıcaklığımızı, narinliğimizi
Geleceğimizi, umudumuzu

Senin için korkarım
üstüne titrerim
yas ve hüznün var hep
kaybettiklerimiz için

Geleceğin güçlüklerini
Bilmediklerimin korkusunu
Yenmek için
Sana layık olmak için

Bizim için dua et sevgili
ve kutsal anneciğim, annelerin annesi
senin merhametini hak etmemiz için
Sana layık olmamız için

Prayer for my Mom

My dear mom, my sweetheart
You have given us our lives
Our warmth, our tenderness
Our fragility, our hope

I fear for you
I am vigil for you
Mourning and sadness remain
For them passing away

The challenges the future poses
The scare for the unknown
To overcome them all
To be worthy of your existence

Pray for us my beloved
And sacred mother of mothers
To deserve your mercy
To be worthy of your existence
